

IBERUS EXPERIENCE COFUND PROGRAMME (MSCA-COFUND)

Call for candidates for postdoctoral fellowships

FINAL RANKING

Once completed the evaluation phase of candidates to participate in the Iberus Experience MSCA - Cofund program, at the proposal of the Program Management Committee and in compliance with rule 8 of the call for the selective process of doctoral research staff within the Marie Skłodowska-Curie program Cofund Iberus Experience (Grant Agreement no. 101034288) in resolution of July 6th, 2022 by which the final scores, selected candidates and waiting list of the selective process for hiring postdoctoral researchers were published.

The resolution to which reference has been made in the previous section established a period of 14 calendar days, counting from the day following its publication, to formulate allegations or, where appropriate, the corresponding acceptance. Having received the formal acceptance of 8 candidacies and the resignation of 3 of them, the final contracting proposal is published in this resolution.

In accordance with all the above, the list of selected candidates for each University who have agreed to join the Iberus Experience program is published as Annex I to this document. For each university, the selected candidates who have resigned from joining the program and the selected applicants from the waiting list are also indicated.

Candidates selected from the waiting list will receive an official invitation to join the Iberus Experience programme and will have 14 calendar days to accept it. In case of resignation, the next candidate on the waiting list will be contacted based on their score and so on.

This document is publicly available on the program website <https://www.iberusexperience.com/> and on the Campus Iberus Consortium website www.campusiberus.es, in the calls section.

The candidate must ensure compliance with the eligibility criteria of the Iberus Experience programme by providing all supporting documents that may be requested at any time during the selection process. The candidate may be withdrawn at any stage of the process if eligibility is not duly justified (additional documents may be requested on a case-by-case basis).

The final list of selected candidates and candidates on the waiting list is also published as Annex II to this document.

Against this resolution, which puts an end to the administrative procedure in accordance with the provisions of article 23 of the Consortium Statutes, it is possible to file an optional appeal for reconsideration before the president of the Campus Iberus Consortium within a period of one month, or a contentious appeal- administrative before the courts of the same order of Zaragoza within two months, periods that will be computed from the day following its publication on the website of the Campus Iberus Consortium (www.campusiberus.es).
